GEMS & JEWELLERY BUSINESS. BULLION. COMMODITIES. ETC.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India has substantial reserves of gold, diamond, ruby and other gemstones. The gems and jewellery sector has been playing a very important role in the Indian economy and contributes about six-seven per cent to the country's gross domestic product (GDP), apart from large scale employment generations and foreign exchange earnings (FEE). Sensing its immense potential, the Government of India has declared the sector as a thrust area for export promotion. The primary segments of the sector in India are gold jewellery and diamonds & gems. India is the world's largest consumer of gold, accounting for over 20 per cent of the global gold consumption. The country is also the world's largest cutting and polishing centre for diamonds, with the cutting and polishing industry being well supported by government policies. India exports 95 per cent of the world's diamonds, as per statistics from the Gems and Jewellery Export promotion Council (GJEPC). The industry is projected to generate up to US\$ 35 billion of revenue.

OPPORTUNITIES

- The country is slowly starting to move towards branded jewellery and consumers are progressively accommodating modern retail formats.
- Gold jewellery exports from India increased on year to year basis.
- India has the high skilled low cost Labour.
- The Indian cut diamonds and designed jewellery are in demand in the international market.

THREATS:

- Gold import is subject to high custom duty which fluctuates & can affect the business severely.
- Gold prices are also not stable that poses threat to the profit margin consequently.
- Tough competition from the other players may compel Company to offer competitive price and ultimately affect our profit margin.
- Money Market tightness and financial crunch.
- Alternative to Diamonds such as American Zirconia and CVD
- Consumer avoiding Gold Jewellery as investment option.
- Consumer preference towards branded & imported Designer Jewellery & Watches.
- Working Women does not prefer wearing any type of jewellery

OUTLOOK:

Overall business situation appears to be positive. Company has to concentrate on Product Development; in order to gain some ground in mass market segment. Assuming the inflation is brought under control and input prices remain at reasonable level, the domestic market is expected to continue to deliver a modest top line growth. With the continued effort on Retail upgradation and contemporary experience, the footfall and Brand image at the Retail level would be improved.

RISK & CONCERN:

Aggressive competitions by new players, who wish to enter the category, pose a risk of the Company losing its market share. The Company will focus on contemporary designs, better value proposition in the product basket through continuous innovation and on cost management to mitigate the risks.

REAL ESTATE & SERVICE SECTOR

INDUSTRY STRUCTURE & DEVELOPMENTS

The Indian real estate sector has come a long way and is today one of the fastest growing markets in the world. It comprises many sub-sectors – housing, retail, hospitality, farms, residential, and commercial. While housing contributes to five-six percent of India's gross domestic product (GDP), the remaining sub-sectors are also increasing at a fast pace. The total realty market in the country is expected to touch US\$180 billion by 2020.

Real estate in India is being recognized as an infrastructure service that is driving the economic growth engine of the country. Growing infrastructure requirement in diverse sectors such as tourism, education, healthcare, etc., are offering several investment opportunities for both domestic as well as foreign investors. The role of the Government of India has been instrumental in the development of the sector including FDI in Real Estate. With the government trying to introduce developer and buyer friendly policies and law enforcement against delay in delivery & breach of commitments, the outlook for real estate sector does look promising.

OPPORTUNITIES

- Real estate contributes about 5 per cent to India's GDP. The market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 percent during FY2008-2020.
- The Indian construction and real estate sector continues to be a favoured destination for global investors. Several large global investors, including a number of sovereign funds, have taken the first move by partnering with successful local investors and developers for investing in the Indian real estate market.
- The residential asset class looks to have great potential for growth with housing requirements growing across cities.
- Demand for space from sectors such as education and healthcare has opened up ample opportunities in the real estate sector. The country still needs to add three million hospital beds to meet the global average of three for every 1,000 people.
- Government of India focus on affordable homes for all by 2022, the creation of 100 Smart Cities and infrastructure development across India, the real estate industry has much to look forward to in 2016.

THREATS

- High inflation rate may increase the cost and company's profit margins may suffer.
- High interest rate may also prove to be adverse.
- Real estate industry is capital intensive sector which require high capital and in present scenario it is challenge in front of management to arrange for the funds requirement.
- Tough competition from the other existing players in the industry also poses a threat.

VIGIL MECHANISM -WHISTLE BLOWER POLICY

The Whistle Blower Policy is formulated to provide a vigil mechanism for Directors and Employees to raise genuine concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct or Ethics policy. It also provides for adequate safeguard against victimisation of persons who use such mechanism.

The Policy provides necessary safeguards for protection of Directors and Employees who avail the vigil mechanism from reprisals or victimization, for whistle blowing in good faith and to provide opportunity to Directors and Employees for direct access to the Chairperson of the Audit Committee in appropriate or exceptional cases.

The Whistle Blower Policy is in conformity with Clause 49 of the Listing Agreement and provisions of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014.

All Directors and Employees of Company are eligible to make "Protected Disclosures" to the Chairman of the Audit Committee. During the year under review, no employee was denied access to the Audit Committee.

Principles

- Protected disclosures shall be acted upon in a time bound manner.
- Complete confidentiality of the Whistle Blower will be maintained.
- The Whistle Blower and / or the person(s) processing the Protected Disclosure will not be subjected to victimization.
- Evidence of the Protected Disclosure will not be concealed and appropriate action including disciplinary action will be taken in case of attempts to conceal or destroy evidence.
- 'Subject' of the Protected Disclosure i.e. Director or Employee against or in relation to whom a protected disclosure has been made, will be provided an opportunity of being heard.
- The Whistle Blower should bring to attention of the Competent Authority at the earliest any improper activity or practice. Although they are not required to provide proof, they must have sufficient cause for concern.
- The Whistle Blower shall co-operate with investigating authorities, maintaining full confidentiality.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

ANNEXURE-I TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF DECOROUS INVESTMENT AND TRADING COMPANY LIMITED
(as referred in Paragraph 3(h) of Other Legal and Regulatory Matters in Independent Auditor's Report)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of DECOROUS INVESTMENT AND TRADING COMPANY LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

DECOROUS INVESTMENT & TRADING COMPANY LIMITED

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.1 Basis of preparation of financial statements

These financial statements are prepared on under the historical cost convention, in compliance in accordance with Generally Accepted Accounting Principles (GAAP) in India on accrual basis. GAAP Comprises accounting standards as specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, and the relevant provisions of the Companies Act, to the extent applicable. Accounting policies have been consistently applied.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the form AOC- 3 to the Companies (Accounts) Rule, 2014. Company has ascertained its operating cycle as 12 months for the purpose of current & non current classification of assets and liabilities.

1.2 Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of income and expenses of the period, reported amount of assets and liabilities and disclosure relating to contingent assets and liabilities as of the date on the financial statements. Accounting estimate could change from period to period and actual results could differ from those estimates.

1.3 Revenue recognition

Revenue is recognized on accrual basis. Dividend income is accounted for on receipt basis.

1.4 Inventories

Gems & Jewellery, Bullion, Inventories, etc., which are considered by the management as stock in trade, are valued at lower of cost or net realizable value. Further cost technique adopted for inventory is Weighted Average Cost Method.

1.5 Employee benefits

In accordance with Accounting Standard-15 (Revised) "Employee Benefits", short term benefits are charged to profit & loss statement as and when they occur. Long term benefits are given to employees as required by law and charged to profit and loss accounts for the period to which they relate on the basis of best possible estimates.

1.6 Fixed Assets

Tangible Assets are recognised at the cost incurred to purchase and bring them into the condition which makes it able to be used by the company. Historical Cost method is being followed. No revaluation of assets is done.

Tangible Assets are depreciated on the basis of life prescribed in Schedule II of Companies Act, 2013 following Diminishing Balance Method.

Intangible Assets, if any, will be amortised in compliance with *Accounting Standard-26* on Straight Line Method.

1.7 Impairment of Assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

1.8 Provisions and Contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

1.9 Taxes

Taxation, if any, is being provided at the rate prevailing during relevant period under normal provisions prescribed by the Income tax Act, 1961 and rules made thereunder.

The difference between taxable income and the net profit or loss before tax for the year as per the financial statements are identified and the tax effect of the deferred tax asset or deferred tax liability is recorded for timing differences, i.e. difference that originate in one accounting year and reverse in another. The tax effect is calculated on accumulated timing differences at the end of the accounting year based on effective tax rates that would apply in the years in which the timing differences are expected to reverse.

Deferred tax assets are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

1.10 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and balances with banks.
